

Mountain View High

HOME OF THE COUGARS

2006 was a great year for **Mountain View** football! The team ran off seven straight wins, beating cross town rivals Summit and Bend on their way to a conference title and a trip to the Quarterfinals of the 5A OSAA playoffs.

None of this could have happened however without the hard work and dedication of the coaching staff, and of course the players.

The senior class was an especially gifted group of gentlemen who raised the bar for **Mountain View** High School football. The 2006 team featured over 28 individual awards including eight 1ST Team IMC players, the leading rusher in the conference and the IMC coach of the year honors going to our very own head coach, John Nehl!

Here is the break down of the honors given to the 2006 **Mountain View** football team:
